

Foreign Affairs.

LONDON, October 3.—The rinderpest has appeared in Fangfoss Parish, West Riding, Yorkshire.

MADRID, October 3.—Nothing additional to the despatch forwarded last night has been received in relation to the fire in the monastery and palace of Escorial, and it is feared that all the treasures in the building have been destroyed or irreparably damaged.

HAYRE, October 3.—The steamship France, hence on Sunday last for New York, returned on Monday, with her machinery disabled. The passengers go forward by the Ville de Paris on Saturday.

American Matters.

CHARLESTON, October 3.—Arrived—Steamships Mercedita, Boston; Manhattan, New York.

ATLANTA, Ga., October 3.—Thirty-four Counties give Smith a majority of 19,631. But one County, so far, gives Walker, Radical, a majority—of 456. Some of the strongest Radical Counties have been heard from.

AUGUSTA, Ga., October 3.—Returns are coming in slowly. Partial returns from the following Counties give Smith, Democrat, over 15,000 majority: Bartow, Bibb, Baldwin, Cobb, Catoosa, Clay, Clayton, Chatham, Dougherty, Floyd, Fulton, Gordon, Henry, Lee, Lowndes, Monroe, Mitchell, Morgan, Muscogee, Murray, Pierce, Richmond, Spaulding, Sumter, Troup, Terrell, Talbot, Whitfield, Wilkes and Warren. The official count of Chatham gives the Democrats 2,940 majority. The Republicans carried Deatur County by 300, and Thomas County by 150. North Georgia has gone Democratic. It will be impossible to give anything more satisfactory to-night; but there appears to be no doubt that the Democrats have carried the State by 80,000 majority, as a full vote has been polled in every County.

NEW YORK, October 3.—Francis Leiber, the well-known publicist, is dead. Capt. Francis L. Norton, formerly of the Cuban steamer Pioneer, yesterday, caused the arrest of Messrs. Ford & Shepard, ship brokers, of this city, for alleged unjust libeling of that steamer, at Newport. Norton claims that the libel, which is based on a mortgage claim against the vessel, was effected to more effectually enable the United States authorities to proceed against the Pioneer.

HARRISBURG, October 3.—Hon. W. P. Scheil, the Labor Reform candidate for Governor, has declined, in favor of Buckalew.

CHARLESTON, MASS., October 3.—The Democrats and Liberals have nominated General Banks for Congress.

WASHINGTON, October 3.—Evening.—The British Claims Commission is again in session here.

Cigars and cigarettes seized for violations of customs regulations, which do not bring the value of the necessary stamps, will be destroyed.

Probabilities.—For the lower lakes, and thence Southward and Eastward over the Middle and New England States, clearing and clear weather, with Northerly to Westerly winds. In the Mississippi and Ohio Valleys, Southerly to Westerly winds, and partly clearing weather. On the upper lakes and in the North-west, fresh Northerly to Easterly winds, veering on Lake Michigan to Southerly, with cloudy weather on Friday. In the South Atlantic States, reduced pressure, warmer and clear weather, with light Southerly to Westerly winds.

Congress, at its last session, established a United States Court for the Western District of North Carolina, but failed to make any provision for the appointment of a United States Marshal. There could be no court without a marshal, and the Marshal of the Eastern District could not act, because his jurisdiction is limited to the Counties not embraced in the Western District. No grand or petit jury could be summoned without a Marshal, and no money could be drawn from the Treasury to pay the expenses of the court. In the absence of such an officer, to meet this unexpected emergency, Marshal Carrow is appointed a disbursing agent of the Department of Justice; and under this appointment, has just drawn from the Treasury \$20,000, to pay the expenses of the court.

ATLANTA, Ga., October 3.—The official majorities, as specially reported to the Atlanta Constitution, for Smith, (Democrat), are: Taliaferro County, 309; Wilkes, 1,071; Muscogee, 700; Hancock, 200; Palaski, 770; Richmond, 745; Whitfield, 186; Dougherty, 321; McDuffie, 530; DeKalb, 808; Morgan, 179; Wilkinson, 800; Schley, 204; Sumter, 300; Troup, 1,050; Coweta, 250; Brooks, 216; Campbell, 256; Quitman, 127; Campbell, 380; Floyd, 960; Jones, 800; Clark, 512; Newton, 173; Gordon, 980; Mitchell, 534; Terrell, 330; Talbot, 334; Murray, 208; Clayton, 420; Fulton, 1,350; Cobb, 800; Houston, 62; Bibb, 1,800; Lee, 175; Warren, 300; Monroe, 700; Bartow, 823; Clay, 60; Chatham, 2,940; Macon, 900; Baldwin, 900; Butts, 242; Burke, 600; Upson, 615; Henry, 134; Taylor, 100; Pike, 595; Stewart, 550. Walker, (Radical), received in Randall County a majority; McIntosh, 454; Thomas, 256—total, 710. In fifty-one Counties Smith's majority is 27,117.

AUGUSTA, October 3.—Evening.—Returns received from sixty Counties, in every portion of the State, give the Democrats over 25,000 majority. Seventy-six Counties, yet to hear from, will increase the majority to 40,000. The following Counties give the Democrats 9,000 majority: Schley, Randolph, Quitman, Brooks, Jones, Newton, Merriweather, Upson, Pike, Taliaferro, Taylor, Stewart, Worth, Palaski, Houston, Webster, Wilkinson, Putnam, Washington, Burke and Columbia. Twiggs County gives a Republican majority of 300, and Greene County 111. Out of sixty Counties heard from, only four have gone Republican. Rethroistic Democrats claim the State by 50,000 majority.

SAVANNAH, October 3.—Money sent here from Washington to pay the poll tax of negroes was appropriated by the white Radical managers, who gave the negroes bogus receipts. This swindling deprived a large number of negroes of their votes. Great indignation exists among the negroes. The Radicals also collected money from the negroes to pay their poll taxes, and kept it, giving the same bogus receipts.

NEW YORK, October 3.—Evening.—David Mussey, convicted of mailing indecent books, was fined \$500 and sentenced to one year's imprisonment.

ROCHESTER, N. Y., October 3.—Yesterday forenoon, at Lyons, Wayne County, a farmer's team ran away, throwing the man out of the wagon and killing him. In the afternoon, a relative, named Fox, drove the run-away team to the village, for the purpose of procuring a coffin for the deceased, and in crossing the Central Railroad track, a locomotive collided with the wagon, and Fox and the horses were killed. The locomotive and two or three cars were thrown into a ditch. No person on the train was injured.

ALBANY, N. Y., October 3.—The straight-out Democratic State Convention met to-day, at Martin Hall. Among those present were R. B. Miller, brother-in-law of Horatio Seymour, Hon. Levi S. Chatfield, C. P. Sykes, John J. Allen, Chairman of the State Committee, John H. Goodlet and Mr. Kegan, of New York. The Convention was called to order by John J. Allen.

THE BLACK COLONEL AND SOUTH CAROLINA OBLIGATIONS.—Colonel Martin R. Delaney, who is now in New York trying to raise funds for the regulars in this State, has written the following letter to the New York Times:

"A Bond-holder in Trust," in a note dated on the 26th September, makes the following pertinent inquiry, and requests that a reply be made through the Times: Did General Moses, in a speech in Charleston, say 'that if he were elected Governor he would repudiate the debt of the State, and did not care to have the State credit good in New York?'

That Judge Melton made a like speech, but only wrote; that others say in their speeches that 'the debt shall be scaled to \$9,000,000!'

Will 'the interest on the January and July, as well as the October and April bonds, be paid soon?'

To these questions I would respectfully reply that neither General Moses nor Judge Melton made such declarations in a speech at Charleston, the writer of this being present at the time alluded to, and heard every word which dropped from their lips. And if such expressions were attributed to them in the public prints, they must have been so reported by newspaper correspondents, as there were no such reports of their speeches in either of the Charleston journals.

No person who has the capacity and intelligence to comprehend the integrity of the State and import of our obligations, with the influence to effect public sentiment, would have ever talked about 'scaling the debt down to nine millions.' The thing is simply nonsensical, because intolerable, and therefore impracticable.

In regard to the interest on the bonded debt, I can only reply, that I know the intention of the new Government, as the first step toward restoring the credit of the State, is to pay off the interest due on the debt.

Be assured that there will be no 'repudiation, nor the semblance of it,' by the people of South Carolina. The State is full of resources, her population industrious and producing, her staples abundant and valuable, and her revenue equal to the demands of her liabilities. A change in the administration of her Government will prove this.

CHESTER ITEMS.—Mrs. Helen Marshall, wife of Mr. James K. Marshall, and daughter of John W. Walker, Esq., departed this life on Sunday morning last, after a long and protracted illness.

The flouring mill at Landsford, on the Davis property, owned by Mr. Jas. B. Heyward, trustee, was destroyed by fire on last Saturday night. It was the work of an incendiary.

We are informed by a gentleman who was present at McAlley's Mill on last Saturday that, while Reister was speaking, John Lilley interrupted him to ask if he (Reister) had ever invited him (Lilley) or Bon. Michael to sleep with him. Reister replied, 'He thanked God he never had, and never would.' Lilley then said that Yocom had done so, and that they had slept with him often. This didn't make all the negroes hurrah for Yocom, as was expected.

[Chester Reporter.]

The Pittsburg (Pennsylvania) Chronicle, a staunch Administration journal, inflamed by the Yerkes pardon, changes its front and denounces the transaction in terse and incisive language. It charges that Yerkes has been pardoned on condition that he makes certain affidavits affecting the character of one of the State candidates, and declares it to be 'the crowning transgression of this campaign,' that 'on the eve of an election, the prison doors are thrown open, and this man is permitted to walk out that he may make affidavits, supposed to help elect John F. Hartranft Governor of Pennsylvania.' It adds: 'It is an insult to the people of this State, and one of an astounding character. The penitentiary is pressed into the canvass.'

A PROBABLE FIEND.—A fire, probably the work of an incendiary, was discovered in the Southernmost of the stores under the new Masonic Temple, about 2 o'clock yesterday morning. A private watchman, employed by several King street merchants, saw and extinguished the fire before any damage could be done. The fire was burning among a heap of shavings, and had all the appearance of a deliberate attempt to fire the building. The police were notified, and a watch was put upon the building until daylight.

[Charleston News.]

The Pennsylvanians are much exercised by the wholesale importation of negro voters to over-ride the true voice of the people of that State. The Harrisburg Patriot says: 'This servitude is more shameful and vile than that once experienced by the negroes when sent in chain gangs from Virginia to work in the sugar fields of Louisiana. They were then employed in honest and productive toil. By their new masters they are made the base instruments of fraud.'

FATAL RAILROAD ACCIDENT.—On Monday morning, an accident occurred on the South and North Railroad, to the train going North, near Cunningham, a point between Birmingham and Decatur, Alabama. Four persons were wounded and two were killed. The killed were James M. Smith, late of Montgomery, now of St. Louis, and C. C. McLenore, of Marion, Ala. The wounded were not seriously hurt. One of them was the father of Mr. Smith.

DESTRUCTION OF A GIN-HOUSE.—We were sorry to learn of the destruction by fire of Mr. R. G. Ellerbe's gin-house on Monday night, amounting, so we learn, to nearly thirty bales of cotton.

[Camden Journal.]

There isn't a white man in Choctaw County, Ala.

DEATH OF REPRESENTATIVE FROST.—Florian H. Frost, one of the members of the House of Representatives from Williamsburg County, died in this city yesterday. He was born in Charleston, in May, 1847, and was elected Reading Clerk of the House of Representatives in 1868, when, also, he was elected School Commissioner for Williamsburg County. In 1870, he was elected a member of the Legislature, for which position he was re-nominated by the Williamsburg Republicans, only a few days ago.

Representative Frost was a fluent speaker, and enjoyed the reputation of being an upright and honorable man. In the House of Representatives, his conduct, we believe, was free from the stains which marred the public character of so many of his colleagues. This fact was known to the Conservatives in his County, and their feeling in his favor was the only obstacle to his re-election.

[Charleston News.]

Rev. James P. Boyce, D. D., our honored fellow-townsmen, left on the 1st inst., with his family, for Louisville, Ky., where he will spend the winter in working for the endowment of the Southern Baptist Theological Seminary, which is to be removed from this place to Louisville next summer, if the necessary endowment is secured. Since the war, he has, by extraordinary exertions and sacrifices, secured enough, year by year, from different parts of the South, to support the Theological Seminary. Besides his work as professor, he has preached much in the surrounding country. Our town and County, and the whole State, will sustain a great loss in his removal, but the high respect and best wishes of our citizens will attend him wherever he may go.

[Greenville Enterprise.]

A New York telegram, of Sunday, says: 'Rev. Francis Vinton, D. D., assistant minister of Trinity Parish, died at 2.30, this afternoon, after a lingering illness, at his residence, in Brooklyn, aged sixty-three years. Dr. Vinton was a graduate of West Point in 1830, and while stationed at Boston, as a lieutenant of artillery, studied law. Two or three years subsequently, he served as civil engineer in several New England railways. He was admitted to the bar of Portsmouth, N. H., in 1834, and was on duty in the Creek war in Georgia and Alabama in 1836. In the following year, he left the army and studied for the ministry, and was ordained a priest of the Protestant Episcopal Church in 1839. He and his brother, Dr. Alexander H. Vinton, have both distinguished themselves in their high calling by their learning and eloquence.'

DEATH OF THREE PROMINENT CITIZENS. Dr. Thomas Lake—a most estimable and honored citizen and worthy Christian gentleman—died at his home near old Cambridge, in this County, on the 24th, in the sixty-sixth year of his age. On Thursday night, the 26th, E. H. Chamberlain, Esq., after a protracted illness, breathed his last at his home in the Dark Corner side of Edgefield. And on Saturday evening last, Col. James C. Smyly, another of Edgefield's high-toned and esteemed sons, lay down in death, in about the fifty-fifth year of his age.

[Edgefield Advertiser.]

THE WAGES OF SIN.—The New York papers are full of the sad story of Maude Virginia Carleton, of New Orleans, sent by wealthy and respectable parents to school in 1862, at St. Xavier's Academy, Chicago, under the care of the Sisters of Mercy. She went in 1862, at the age of twelve years, and after her schooling was over, her parents being dead, married, because the widow of a suicide, went to New York, led a fast life, became an ill-treated kept mistress, and finally died at Bayonne, N. J., of consumption and neglect, her paramour taking the rings off her dead fingers to a pawnbroker. 'The wages of sin is death.'

Carlyle says that 'Parliamentary eloquence is only a detestable and damnable babble of imposture and lies.'

The Boston car drivers complain that old ladies punch them in the back with parasols when they want the car stopped.
